

**THE CORPORATION OF THE MUNICIPALITY OF WHITESTONE**

**BY-LAW NO. 30-2003**

---

**Being a By-Law to establish Roadway Service Standards for the Municipal Road System within the jurisdiction of the Corporation of the Municipality of Whitestone**

---

**WHEREAS** authority is given to the Corporation of the Municipality of Whitestone, hereinafter referred to as the Corporation, being a municipality authorized by Section 44 of the Municipal Act, 2001 Revised, to establish policy regarding municipal roadway service standards;

**AND WHEREAS** it is found expedient and necessary to have such standards;

**AND WHEREAS** the Corporation desires to implement policy to identify certain minimum and desired standards for roadway services on roads within the jurisdiction of the municipality, subject to other authority, the described and attached hereto in Schedule "A".

**NOW THEREFORE** the CORPORATION OF THE MUNICIPALITY OF WHITESTONE ENACTS AS FOLLOWS:

1. That all operational services of the municipal road department be directed to provide services, where applicable, that meet the minimum (maximum) standard of care 100% of the time.
2. That neither this corporation nor its officials make any promise or assurance that roadway services will be in excess of the minimum (maximum) standard herein provided, however, the municipal road department will strive to provide services, where applicable, that meet the desired standard of care 100% of the time.
3. That where situations arise or applications be made which fall outside the scope of these standards, the senior road manager shall respond as he/she deems appropriate, with respect to budgetary constraint and reasonable practice.
4. This by-law shall come into force and effect upon final passage thereof.

**Read a First and Second** time this 12<sup>th</sup> day of November, 2003.
